The sun was shining before.
Now snow is falling!
Snow is white.
The land looks white.
Does snow help animals hide?

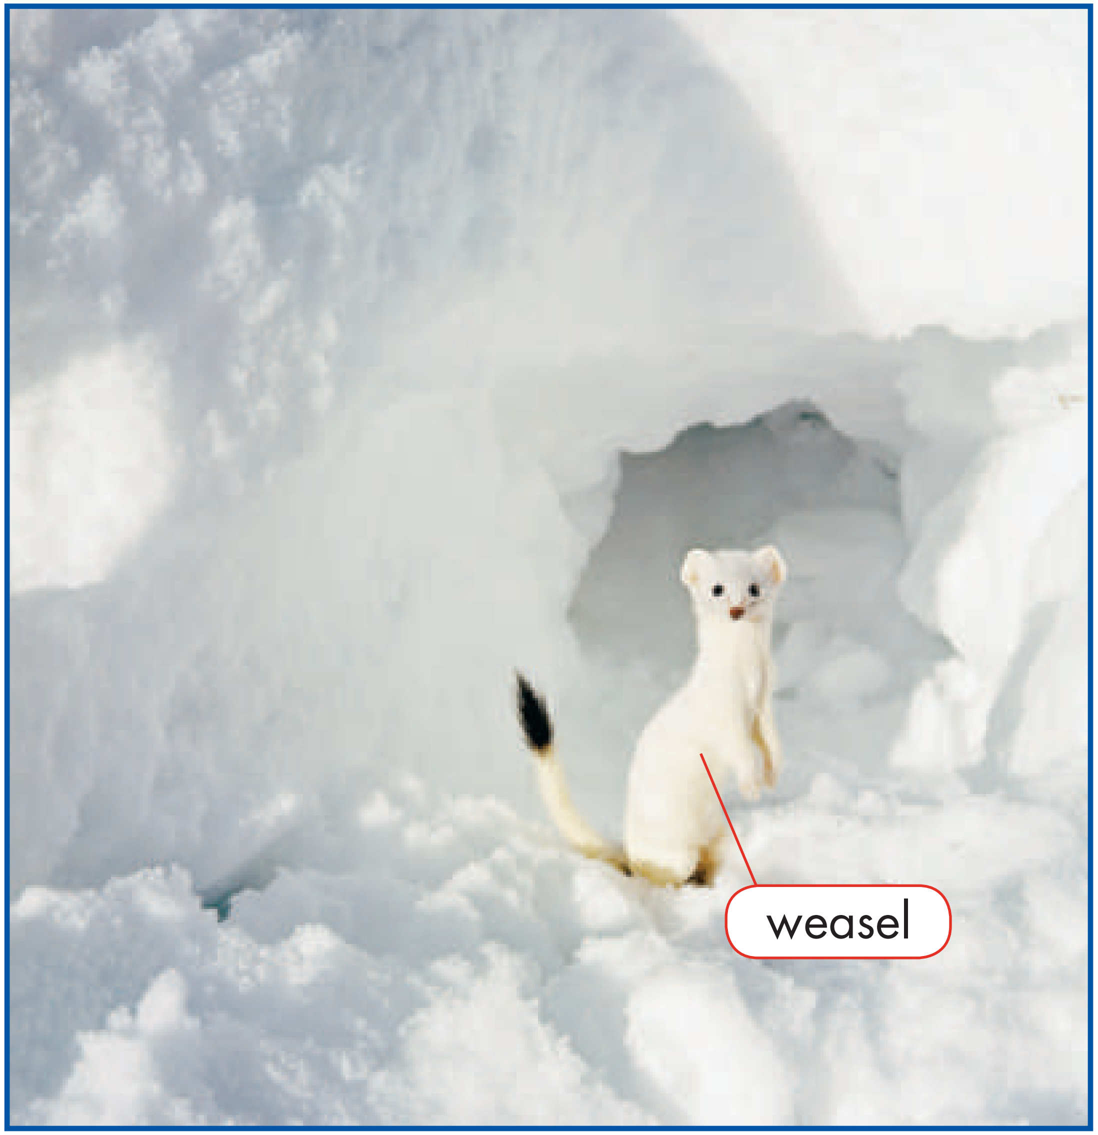

The polar bear is as white as snow.
Can you find the polar bear?

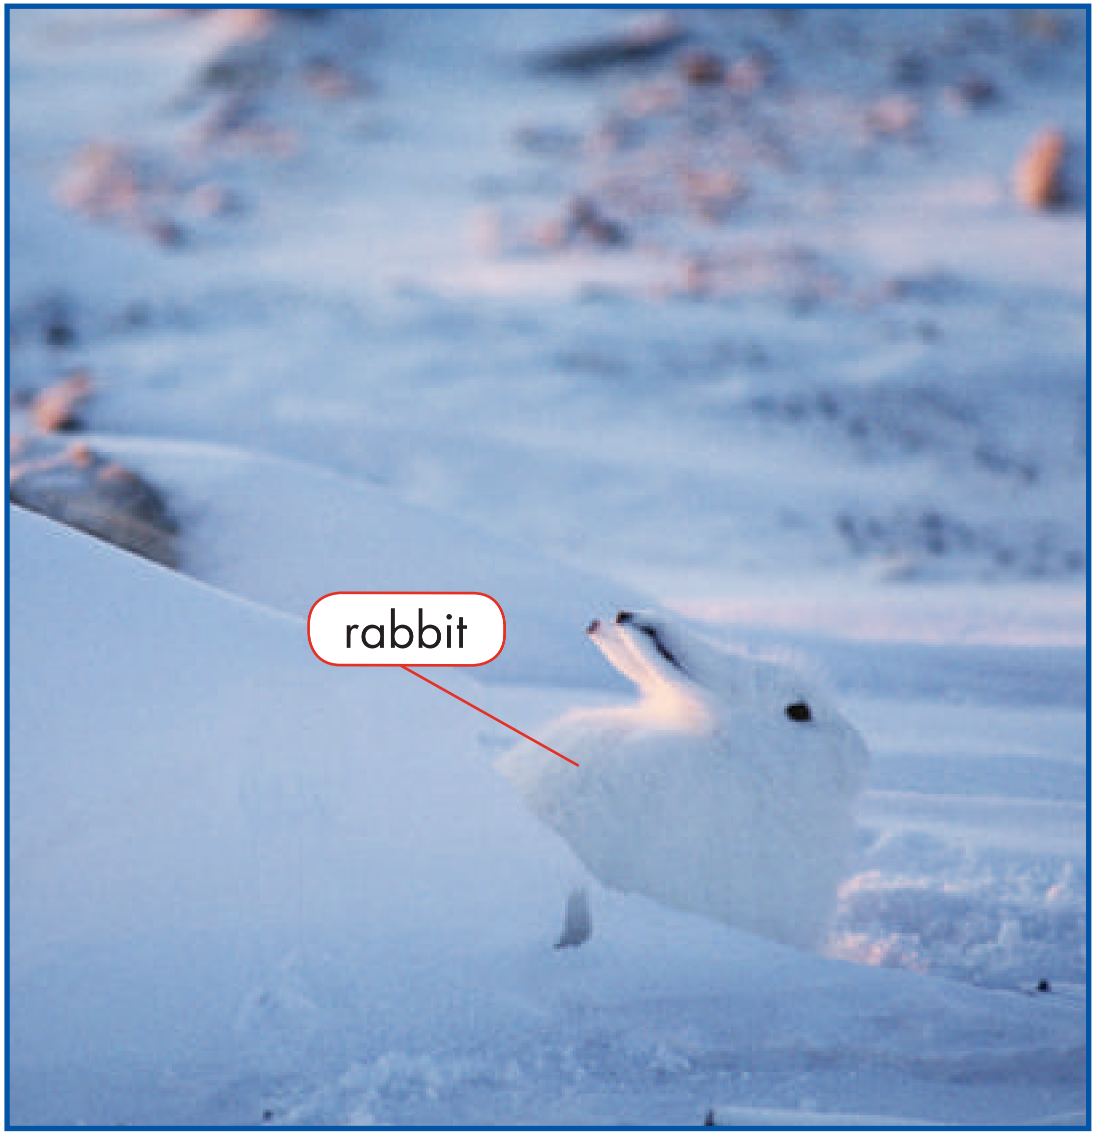

A fox can be as white as snow.
Can you find the fox?

A snowy owl is as white as snow.
Can you find the snowy owl?

This weasel is white in the winter.
Can you find the weasel?

The snowshoe rabbit is white.
Can you find the snowshoe rabbit?

The animals are white.
The snow is white.
The animals can hide
in the snow.

Talk About It

1. Why is it hard to find the animals in the story?
2. What would be easier to find in the snow, a pair of white mittens or a pair of red mittens? Why?

Write About It

3. On a separate sheet of paper, draw pictures of animals you have seen. Write their names.

Extend Language

Snow is white. What are the colors of these things? Milk; strawberries; chocolate; sugar; an orange. Which things are as white as snow?

Photographs
Every effort has been made to secure permission and provide appropriate credit for photographic material. The publisher deeply regrets any omission and pledges to correct errors called to its attention in subsequent editions.
